9. VENUE

9.1 Camping and amenities

Camping and amenities will be available to competitors and spectators at the Three Springs sporting complex from Friday 27 September 2019. A camping and amenities fee will be collected by a local community group.

The support of the Shire of Three Springs is essential to the continuity of this event. We encourage all participants and spectators to respect the facilities and the volunteers that maintain them. We encourage any issues to be brought to the organisers' attention for resolution.

The following conditions will apply to the entire competition venue:

- Camp fires will not be permitted
- Dogs and firearms will not be permitted (property owner/s exempted)
- Motorcycles, trikes and quads will not be permitted (property owner/s and designated officials may be exempted at the discretion of the organisers)
- A noise curfew will apply from midnight Friday and Saturday nights
- Camping will be in designated areas around the perimeter of and across the oval and hardstand areas, including limited space for larger vehicles on the unfenced part of the perimeter of the oval
- Any race vehicles on the oval must be on a tarpaulin or ground sheet
- Please ensure all rubbish, specifically tent pegs, are removed from the oval.

Breaches of these conditions will make the responsible crew liable to penalties as decided by the Stewards of the Event.

9.2 Setup and de-mark

All entrants are encouraged to provide a minimum of one crew member to assist in either of these areas:

- Mark or de-mark part of the track
- Mark or de-mark pit area
- Set up or pack up banners
- Set up or pack up event headquarters
- Set up or pack up barriers or road signs
- Clean up spectator area
- Pack the trailer.

9.3 Catering

A wide range of food and drinks (including a licenced bar) will be available from Friday evening to Monday morning. These facilities will be run by local community and sporting groups.

10. ELIGIBLE VEHICLES AND LICENSING

The Event is open to off-road vehicles in accordance with Article 4 - Vehicles of the [CAMS 2019 Off Road Standing Regulations](#). Minimum license requirements for this Event are:

- Current CAMS affiliated club membership
- Current CAMS NO, NOJ, NON, NONJ, CO, COJ, CON, CONJ, NONSE or higher competitor license
- Civil driver's license if required
- CAMS vehicle logbook.

All licenses must be presented at documentation (see Article 11.2).

11. SCRUTINY AND DOCUMENTATION

11.1 Times and venues

Scrutiny and documentation will be held at the event headquarters at:

- 4:00pm to 7.30 on Friday 27 September 2019, and
- 6:45am to 8:00am on Saturday 28 September 2019 by appointment only (limited to 10)

To minimise any delays to the start of competition, competitors are requested to make every effort to complete scrutineering on Friday evening. Scrutineering on Saturday morning will be by appointment only – if you wish to make an appointment, please [email the Event Secretary](#) (see Article 8.5).

The following conditions must be met during scrutiny:

- Both driver and navigator must be present
- Vehicles and all race apparel must be presented for examination
- Vehicles must be capable of being driven in and out of the scrutiny area
- The consumption of alcohol by competitors is prohibited.

11.2 Documentation

Competitors will be required to present the following documentation prior to presenting their vehicle for scrutiny:

- Current CAMS affiliated club membership
- Current CAMS competition license (see Article 10 for eligible license types)
- CAMS vehicle logbook
- Civil driving licenses if required
- Competitor licenses (if not the driver).

All pit crew and officials will be required to sign on and receive passes during documentation. Late requests for pit crew and officials to sign on will not be accepted.

11.3 Guide to competitors and spectators

A guide to competitors may be issued. This guide will contain information that does not form part of these supplementary regulations, but will be of assistance to competitors, crews and spectators. The contents of the guide are for information only and may not be used as the basis of a protest.

11.4 Passes

Passes will be issued to all competitors, officials and nominated crew members. Passes will allow admittance to the pit area (see Article 13.2) and must be worn visibly at all times. In order to maintain numbers and reduce non-essential personnel in pit the area, your entry includes six passes. The balance of the four after drivers, co-drivers and navigators will be available as pit passes to eligible pit crew.

12. COMPETITOR AND OFFICIALS' BRIEFINGS

12.1 Officials' Briefings

Briefings for officials will be conducted at the Event headquarters at the following times:

- **Briefing No 1** – 8:05am Saturday 28 September 2019
- **Briefing No 2** – 7.45am Sunday 29 September 2019

Attendance at briefings by all officials is compulsory.

12.2 Competitor Briefings

Briefings for competitors will be conducted at the Event headquarters at the following times:

- **Briefing No 1** – 8:30am Saturday 28 September 2019
- **Briefing No 2** – 2:15pm Saturday 28 September 2019
- **Briefing No 3** – 8:30am Sunday 29 September 2019

Attendance at briefings by all drivers, co-drivers and navigators is compulsory and all competitors will be required to sign the attendance sheet. Failure to attend a briefing and sign the attendance sheets will result in the competitor being charged.

13. PIT / PADDOCK AREA

The pit and paddock areas will, in effect, be the same area. The following conditions will apply at all times:

- The maximum speed will be 5km/h
- No smoking, consumption or carrying of alcohol
- No welding, grinding or flame heating of any form will be permitted – a separate hot work area will be provided
- No riding on any vehicle unless seated in vehicle seat
- No riding on moving trailers.

13.1 Paddock area

The paddock area will be where competing cars and support services are located during the Event. It will be separate from the camping and spectator areas. Entry to the paddock will be unrestricted at any time it is not designated as being the pit area.

13.2 Pit area

The area will be designated as the pit area 30 minutes prior to the start of each competitive section and will remain as such until an announcement is made to the contrary.

The pit entry will be closed for gridding up 15 minutes prior to the start of each competitive section until after the last car has started.

The following conditions apply to the pit area:

- The pit area will be for use by competing cars only
- Competitors and crews must display passes on the outside of garments at all times in the pit areas
- Entry will be by pit pass only
- Attire for all people will be a minimum of shoes, socks, short pants and a short-sleeved shirt
- Competitors are responsible for ensuring their crew members are suitably attired and displaying pit passes at all times
- No spectators or children are allowed to enter (minimum pit crew age 16 years)
- No trailers or non-race vehicles are to be left in the pit area.
- No unauthorised persons, including persons under the age of 16, are permitted in the pit areas
- Entry in and out of the pit areas must be via the designated entry point/s.

The restrictions on the pit and paddock areas will be lifted once the organisers have declared the end of the competition.

13.3 Refueling

All refuelling during competition is to be done only in the pit area. No refueling will be permitted in the oval complex and surrounds. The following conditions will apply while refuelling:

- Fuel must be 'Commercial Fuel' or 'Diesel Fuel' in accordance with Schedule G and GR27 of the current CAMS Manual of Motor Sport
- All fuel containers must be stored in the pit area for the duration of the Event
- Cars must be refuelled with the crew out of the vehicle and the engine off
- A fire extinguisher must be held at the ready during the entire fuelling operation
- Attire for all crew involved in the refuelling operation will be a minimum of shoes and socks and non-flammable clothing from wrist to neck to ankle.

If a vehicle runs out of fuel on the course, the Clerk of Course or a nominated deputy may give written permission for that vehicle to be refueled on the course, provided that the safety conditions listed above are met.

Breaches of any of the conditions listed in Article 13, 13.2 and 13.3 will make the responsible crew liable to penalties as decided by the Stewards of the Event.

14. RECONNAISSANCE

Competitors will complete a reconnaissance lap to familiarise themselves with the course. It will commence at 8.45am on Saturday 28 September 2019 and will consist of one lap of the main course, followed by one lap of the prologue course. No vehicles will be permitted to commence reconnaissance after 9.15am.

The following conditions will apply to reconnaissance:

- Competitors are to complete the reconnaissance in competition vehicles wherever possible
- Competition vehicles must have passed scrutiny
- In accordance with Article 4.12(v) of the [2019 WAORC Sporting Regulations](#), competitors wishing to complete reconnaissance in non-competition vehicles must display competition number signage on the vehicle.
- All occupants of all non-competition vehicles must wear seat belts
- All competitors must surrender their reconnaissance passes
- The maximum speed permitted on reconnaissance is 80km/h
- Overtaking will not be permitted

Breaches of these conditions will make the responsible crew liable to penalties as decided by the Stewards of the Event.

15. PROLOGUE

A prologue will be held at 12:00pm on Saturday 28 September 2019 to determine starting positions for Section 1. The length of the prologue will be approximately 12km.

Prologue start times will be issued at documentation.

Competitors who do not finish prologue may apply to the Clerk of Course to be seeded into the field for the start of Section 1. The closing time for applications for seeding will be 1:45pm on Saturday 28 September 2019.

16. STARTING AND FINISHING

16.1 Starting times

- Section 1 will start at 2:45pm on Saturday 28 September 2019
- Section 2 will start at 9.00am on Sunday 29 September 2019
- Section 3 will start at 1.00pm on Sunday 29 September 2019.

Vehicles will be allowed three hours to complete each section.

16.2 Starting

All competitors must be in the pits with their competition vehicles and available to officials for gridding up 15 minutes prior to the starting time for the first vehicle. The pit entry will be closed from this time until after the last car has started. In addition to the penalties specified in Article 20.2, any competitor who fails to comply with the specified control procedure will start rear of the field with an interval of two starting gaps behind the last car. Their competitive time will start at their original scheduled start time.

In all sections, competitors will be started one at a time, at 45 second intervals. All intervals may vary at the discretion of the Clerk of Course.

16.3 Restarting

Competitors who do not complete a section may apply to the Clerk of the Course to start a subsequent section. If allowed to start a subsequent section, they will be required to report to the starter at their allocated time. Cut-off times for applications to restart a section will be:

- To start Section 1 – 1:45pm Saturday 28 September 2019
- To start Section 2 – 7.30am Sunday 29 September 2019
- To start Section 3 – 12:15am Sunday 29 September 2019

16.4 Finishing

Both State Championship and Multi-Club entrants will be required to complete all sections to be deemed finishers of the Event. Competitors who do not complete the full course in each section in the prescribed time will be deemed non-finishers for that section. The Clerk of the Course has the right to stop any crew and prevent their continuation should he/she deem it unlikely for that crew to complete the course within the allowed time.

17. COURSE DESCRIPTION

The surface will consist of dirt, sand, gravel, clay and rocky outcrop.

17.1 Course Length

In each section the course will be run either over two laps of approximately 60km course, or two unequal laps, one approximately 45km and the other approximately 75km. A decision regarding the format will be made in the week prior to the event and will be made to accommodate weather and ground conditions.

All distances noted in these supplementary regulations are approximate, and the organisers reserve the right to change the course at any time during the Event if course conditions change. All course changes will be communicated to competitors via briefings or further advice.

17.2 Course length – State Championship entrants

The State Championship Event will consist of six laps of an approximately 45-75km circuit.

Section 1 will be two continuous laps. This section will have a competitive distance of approximately 120km (80km if wet weather plan implemented).

Section 2 will be two continuous laps. This section will have a competitive distance of approximately 120km (80km if wet weather plan implemented).

Section 3 will be two continuous laps. This section will have a competitive distance of approximately 120km (80km if wet weather plan implemented).

The total competitive distance for State Championship entrants will be approximately 360km (240km if wet weather plan is implemented).

17.3 Course length – Multi-Club entrants

The Multi Club Event will consist of four laps of an approximately 45-75km circuit

Section 1 will be two continuous laps. This section will have a competitive distance of approximately 120km (80km if wet weather plan implemented).

Section 2 will be two continuous laps. This section will have a competitive distance of approximately 120km (80km if wet weather plan implemented).

The total competitive distance for Multi-Club entrants will be approximately 240km (160km if wet weather plan is implemented).

17.4 Course marking

In addition to standard course markers, chevrons, hydra-barriers, witches' hats, bunting and crops will be used to delineate the course in some areas. These will be treated as course markers for the purpose of penalties.

17.5 Wet weather plan

Minor changes to the track may be made between sections. If weather conditions warrant the implementation of a full wet weather plan, a significantly revised course may be implemented to ensure a fair competition. If the wet weather plan is implemented prior to the completion of documentation, then the reduction in track distance will not be considered a shortened event under Section 12 (v) of the [2019 WAORC Sporting Regulations](#).

17.6 Flag signals

Flag signals may be used to warn competitors of danger or other situations requiring caution.

17.7 Passage controls

Competitors must pass through, but will not be required to stop at, any passage control/SOS point unless instructed by an official or stopping to report an incident.

17.8 Sweep vehicle

A sweep vehicle will traverse and inspect the entire course at the end of each section, immediately after the last competing vehicle has commenced its last lap.

18. COMPETITION CONDUCT

18.1 Overtaking

The organisers view the safety implications of overtaking very seriously and offences against Article 9 of the [CAMS 2019 Off Road Standing Regulations](#) will result in penalties being imposed (see Article 21.3).

Shunting is not an acceptable method of indicating a desire to overtake. Any reports of shunting or similar behavior are likely to result in all competitors involved being charged.

18.2 Incidents

Competitors involved in any form of accident or incident during the Event must report it to the Competitor Liaison Officer, Clerk of Course or Assistant Clerk of Course and complete an [incident report form](#). This should be done as soon as possible, but in any case, not later than the finish of the Event.

18.3 Recovery

Vehicles that have broken down or stopped for any reason will be recovered after the completion of the relevant section. Removal from the racecourse or its immediate surrounds will be carried out by official vehicles only, unless written permission to remove the vehicle has been obtained by either the Clerk of Course or a nominated deputy.

The organisers reserve the right to refuse this permission on the grounds of safety. Competitors are reminded that the competition course is adjacent to some gazetted roads and competition vehicles are not permitted in any circumstance to be driven on gazetted roads.

18.4 Inspection of vehicles after an incident

Any vehicle that has been involved in an accident or incident, or is structurally damaged for any reason, must report to the Chief Scrutineer for inspection upon completion of the lap that the vehicle was damaged.

Damaged vehicles will not be permitted to continue in the Event until repaired to the satisfaction of the Chief Scrutineer. Breaches of these conditions may result in exclusion from the Event.

See Article 16.3 for information about applying to restart a subsequent section.

18.5 Impound/ Parc Fermé

The organisers reserve the right to impound competing vehicles during or after the Event in order to verify eligibility or for regrouping.

19. MEDIA

19.1 Video footage

All participants agree to make themselves available to attend any press conference or any other media-related event prior to, during, and after the Event. Competitors may be requested to carry a camera operated by the promoter.

By request of the Clerk of the Course or the Stewards, any footage relating to the competition taken by competitors must be made available at the Event for viewing.

All persons acknowledge that by participating in the Event, they authorise the organiser and its legal agents to reproduce and represent, without any form of remuneration whatsoever, their names, voices, pictures, biography, and more generally their sporting participation in the context of the Event, and likewise the brand(s) of their car parts and car manufacturers and sponsors, in any form, on any existing or future medium, in any format, for any publicity to the public worldwide, for any use, including for advertising and/or commercial purposes. This authorisation is given for a period of five years from the date of the Event.

19.2 Drones/UAVs

Event organisers will have registered unmanned aerial vehicle (UAV) operator/s at the Event. Non-registered UAVs can cause issues with flight paths and radio interference. The organisers reserve the right to remove any non-registered UAV operators from the Event.

20. SAFETY

This Event will be conducted in accordance with [CAMS Safety and Integrity Policies](#).

All apparel, including helmets, must be in accordance with Schedule D of the CAMS Manual. Refer to Article 13 of the [CAMS 2019 Off Road Standing Regulations](#) in relation to:

- Apparel
- Safety harnesses
- Fire extinguishers
- Hot work area
- Emergency procedures
- Procedures in case of injury
- Warning triangles
- Flags.

20.1 Alcohol, drugs and other substances

Any holder of a CAMS 'Competition' or 'Officials' licence (or equivalent licence issued by another ASN) may be tested for the presence of drugs (or other banned substances) and subject to a penalty(ies) for a breach in accordance with the CAMS Anti-Doping Policy and/or the CAMS Illicit Drugs in Sport (Safety Testing) Policy as published on the CAMS website. Consumption of alcohol in the paddock, pits or any section of the competition venue/course under the control of the Officials is forbidden until all competition is concluded each day. Accordingly, any holder of a CAMS 'Competition' or 'Officials' licence (or equivalent licence issued by another ASN) may also be tested for the presence of alcohol by a CAMS Accredited Testing Official (CATO) in accordance with the [CAMS Standard Operating Procedure for Breath Alcohol Testing](#).

21. PENALTIES AND PROTESTS

21.1 CAMS penalties

The following are offences against the [CAMS 2019 Off Road Standing Regulations](#) and the specified penalties may be imposed by the Stewards of the Event:

* Plus, any additional penalty that may be imposed by the Stewards of the Event.

[^] Dislodged course markers must be reported to the Competitor Liaison Officer, Clerk of Course or Assistant Clerk of Course as soon as possible after completion of the relevant section.

21.3 Event penalties

The following are offences against these Supplementary Regulations and the specified penalties may be imposed by the Stewards of the Event:

Deviation from the course – any breach during prologue	3 minutes
Failing to allow a faster car to overtake at the first available opportunity	1 minute
Shunting	1 minute
Failure to comply with specified control procedure	See Article 16.2

21.4 Judges of fact

Timing officials will be deemed Judges of Fact in regard to:

- relative order, time of arrival and direction of entry into controls.

Clerk of Course, Assistant Clerk of Course and other named Officials will be deemed Judges of Fact in regard to:

- whether or not a vehicle deviates from the course
- whether a vehicle dislodges a course marker
- relative order, time of arrival and direction of entry into controls.

There is no right of protest against the decision of a Judge of Fact.

21.5 Protests

Protests must be lodged in accordance with the provisions of Part XII of the [CAMS 2019 NCRs](#).

21.6 Appeals

Appeals must be lodged in accordance with the provisions of Part XIII of the [CAMS 2019 NCRs](#).

22. POINT SCORES

22.1 WAORC point scores
